Date: Monday, June 18, 2018 8:13:22

Hi Tony,

Yes, DTSC is planning to attending. We are stilling working out exactly who will be there representing the agency.

Thanks,
Emily

John, Emily:

Are your respective agencies planning to attend the meeting which is now affirmatively scheduled for 24 July at 7pm?

Thank you
tony

Subject: [Non-DoD Source] City Council Meeting in July: Tetra Tech Concerns

Hello Xuan-Mai and Emily:

I hope you are both doing well! I wanted to give you a heads up that the City of Alameda formally requested and the Navy has agreed to attend a City Council meeting in July to discuss the Tetra Tech issue at Hunter's Point and address any Council and community concerns about the clean-up performed to date at Alameda Point. The City would also like to formally request that a representative of the EPA and DTSC attend the meeting as well in case there are questions for you about regulatory oversight of the Navy's (and Tetra Tech contractor's) clean-up efforts. We are still working on an exact date in July, but is likely to be either July 24th or July 31st starting at 7:00 pm in the City Council Chambers, 2263 Santa Clara Avenue, 3rd Floor.

Please let me know if you can have a representative from your agency attend.

Thank you for your time and consideration!

Jen
